To one whose qualities of friendship, loyalty, and cheerfulness have won a place of high respect, deep admiration, and warm affection among both the student body and faculty...

To one who is continually setting a wonderful example to those about her by unselfishly devoting many hours to students' problems...

To one whose friendly smile and good-natured attitude are as familiar as the halls and classrooms of A.H.S. ...

To one whom we shall always remember with deepest appreciation for her invaluable assistance to us and to the school as both a secretary and a friend...

We the Graduating Class do proudly dedicate this 1962 BEACON to --

MRS. LUCILLE REED

Dedication

Assistant Principal: Here at Abingdon High School, Mr. Dale Holmes' work is never done. There's always more to do and he doesn't mind helping people with their individual problems.

In his third year at Abingdon High School our principal, Mr. C. L. Ramsey, has his eye on the overall picture here at Abingdon as well as across the nation. Through his determination and desire to do anything in his power to mold us into mature, free-thinking citizens of tomorrow, he consistently works to raise the standards of our school and to give the students a foundation on which to build their future.

"Give her a typewriter, a telephone, and a problem; she's content!" Being the office secretary means real work, and there's plenty that Mrs. Reed does in the Abingdon High School office.
